

# WHOLESALE SOLAR

1-800-472-1142

**Keep the lights and the refrigerator running when the power goes off with the compact Plug-n-Play 4000-120 backup power center.**

*Brownouts and blackouts cut your home's crucial electrical supply. Backup power systems can keep the furnace fan running, the refrigerator cool, communications online and your home's security system functional. This Power System comes fully wired, tested and ready to plug into. It keeps batteries charged by being plugged into your household grid. When a blackout happens the inverter instantly starts powering critical loads from the batteries until the power comes back on when it automatically re-charges its batteries and goes into standby*

PN: 9222100

**At Wholesale Solar we have assembled hundreds of these systems. Call us today and let us design your new renewable energy system!**

### ***These are the pieces of equipment that make up this quality system***

- |   |         |   |
|---|---------|---|
| 1 | 2940241 | Magnum Energy MS4024, 4000 watt Sinewave Inverter |
| 1 | 2910000 | Magnum Energy MERC 50 Inverter Remote             |
| 1 | 9922329 | MNBE-D Battery Enclosure w/ locking door          |
| 1 | 9904941 | MNBE-D, Extra Shelf                               |
| 1 | 9997641 | Midnite Large Backup Kit 120/Gen                  |
| 8 | 9996646 | UPG UB-GC2 AGM 200 aH 6V Battery                  |
| 6 | 9850022 | 2/0 - 12" UL Cable, Battery Interconnect (black)  |
| 1 | 9960208 | 2/0 - 24" UL Cable, Battery/Inverter (black)      |
| 1 | 9950208 | 2/0 - 24" UL Cable, Battery/Inverter (red)        |
| 1 | 9900488 | 2/0 - 48" UL Cable, Battery/Inverter (black)      |
| 1 | 9936118 | 2/0 - 36" UL Cable, Battery/Inverter (red)        |
| 7 | 2000000 | Assembly and Testing                              |
